

MISSION READY

Adaptable to Solve the Most Demanding Global Problems

KEY INFORMATION

Yulista Aviation, Inc. (YAI) offers solutions across the entire spectrum of complex aerospace manufacturing, services, and precision logistics. Our corporate agility enables us to achieve program requirements across the breadth of weapon system design, prototyping, integration, manufacturing, and installation. Our personalized approach effectively supports numerous government customers within the areas of aviation, missile, ground, and sea-based systems. Regardless of the need, location, or complexity, YAI has optimized solutions to achieve program quality and operational objectives while remaining on schedule and within budget.

PERFORMANCE HIGHLIGHT

Prototype Integration Facility (PIF-2) Single Source IDIQ (\$4.5B Ceiling): Support the PIF's current operations, prototype development, modifications & upgrades, sustainment and bridging of technology gaps with delivery of hardware, software, and services. The PIF concept focuses on assembling and integrating Government and industry expertise to support customer-funded requirements.

CORE CAPABILITIES

- Uncompromising Quality & Safety
- Aviation, Ground, and Missile System Expertise
- Aircraft Maintenance, Structural Repair, & Modification
- Complex Manufacturing Capabilities
- Rapid Production and Kitting Capacity
- Prototype Engineering, Design, & Testing
- System Development, Integration, & Verification
- Integrated Logistics and Product Support
- Warehousing and Supply Chain Management
- Support and Test Equipment Design & Calibration

COMPANY INFORMATION

DUNS 808156967; **CAGE** 4WZ02

Alaska Native Corporation; 8(a); Small Disadvantaged
ISO9001:2015; AS9100D; AS9110C Certified
FAA Part 145;
\$40M Line of Credit

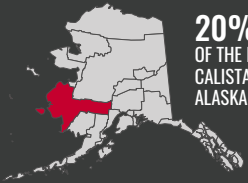

UNITED WITH THOSE ON THE BATTLEFIELD AND IN THE SKY

THE CALISTA REGION IS AN AREA OF MORE THAN

57,000

SQUARE
MILES

20%
OF THE LAND IN THE
CALISTA REGION OF
ALASKA IS USED

56
VILLAGES
MAKE THEIR HOME IN CALISTA

OUR SHAREHOLDERS

The Calista Region encompasses 57,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants

WHEN WE WIN, EVERYBODY WINS

Our contracts and profits serve 31,000 Alaskan Native People, our neighbors, and our employees.

BENEFITS OF WORKING WITH YULISTA

Leverage the Power and Flexibility of 8(a) Contracting

- Sole Sourced Contracts with No J&A (\$100M DOD; \$22M non-DOD)
- Awards Cannot Be Protested
