

MISSION READY

Adaptable to Solve the Most Demanding Global Problems

KEY INFORMATION

Yulista Integrated Solutions, LLC (YIS) offers solutions across the entire spectrum of complex aerospace manufacturing, services, and precision logistics. Our corporate agility enables us to achieve program requirements across the breadth of weapon system design, prototyping, integration, manufacturing, and installation. Our personalized approach effectively supports numerous government customers within the areas of aviation, missile, ground, and sea-based systems. Regardless of the need, location or complexity, YIS has optimized solutions to achieve program quality and operational objectives while remaining on schedule and within budget.

PERFORMANCE HIGHLIGHT

Prototype Integration Facility (PIF-3), Single Source IDIQ (\$4.73B Ceiling): Support the PIF's current operations, prototype development, modifications & upgrades, sustainment and bridging of technology gaps with delivery of hardware, software, and services. Provide best value, rapid response hardware/software solutions with expert & skilled labor, materials, and facilities (follow-on to PIF-2 contract).

UNITED WITH THOSE ON THE BATTLEFIELD AND IN THE SKY

THE CALISTA REGION IS AN AREA OF MORE THAN

57,000

SQUARE
MILES

20%
OF THE LAND IN THE
CALISTA REGION OF
ALASKA IS USED

56
VILLAGES
MAKE THEIR HOME IN CALISTA

OUR SHAREHOLDERS

The Calista Region encompasses 57,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants

WHEN WE WIN, EVERYBODY WINS

Our contracts and profits serve 31,000 Alaskan Native People, our neighbors, and our employees.

ADVANTAGES OF WORKING WITH YULISTA, AN ALASKA NATIVE CORPORATION (ANC) 8(A):

Leverage the Power and Flexibility of 8(a) Contracting

- Sole Sourced Contracts with No J&A (\$100M DOD; \$22M non-DOD)
- Awards Cannot Be Protested
- Streamlined Process: Months, Not Years
- Expedited Pricing and Contract Negotiations
- More Control of Scope and Budget

Large Business Strength with Small Business Values

- Proven Performance History on Over 7000 Contracts and Task Orders
- Original Equipment Manufacturer Capabilities, Small Business Cost
- Certified Quality Driven Processes Designed to Meet Mission Agility
- Over 600k Sq. Ft. of Manufacturing, R&D, and Integration Facilities
- Certified Back Office Systems that Ensure Cost, Schedule, and Performance
- Streamlined Infrastructure that Simplifies Decisions and Speed to Customers
- Over 100k Sq. Ft. Fully NAS3306 Compliant Modification, Integration, and Sustainment Aircraft Hangars Supporting 2 FAA Part 145 Repair Centers

**Yulista Integrated
Solutions is dedicated
to meeting mission
requirements with
quality solutions.**
