

MISSION READY

Adaptable to Solve the Most Demanding Global Problems

KEY INFORMATION

When your projects require flexible, timely, and precise logistics, operations, and maintenance support to meet evolving demands, you need an experienced team to take care of the details.

Y-Tech Services, Inc. takes a personalized approach as a one stop organization providing engineering, maintenance, and systems integration services. Regardless of the need, location, or complexity, Y-Tech has the best solutions to finish your job on time and within budget.

PERFORMANCE HIGHLIGHTS

- **LSF** DCMA CPSR compliant, rapid procurement of aircraft and associated parts for DoD and FMS customers; design and install of GPS antenna for CH-47 MAGNA program.
- **Sea Fighter** Coastal water/open ocean high-speed vessel with stealth capabilities; performing radar testing and field operations for the U.S. Navy and other branches of service; pier-side and dry-dock maintenance management.

YULISTA.COM

UNITED WITH THOSE ON THE BATTLEFIELD AND IN THE SKY

THE CALISTA REGION IS AN AREA OF MORE THAN

57,000

SQUARE
MILES

20%
OF THE LAND IN THE
CALISTA REGION OF
ALASKA IS USED

56
VILLAGES
MAKE THEIR HOME IN CALISTA

OUR SHAREHOLDERS

The Calista Region encompasses 57,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants

WHEN WE WIN, EVERYBODY WINS

Our contracts and profits serve 31,000 Alaskan Native People, our neighbors, and our employees.

BENEFITS OF WORKING WITH YULISTA

Leverage the Power and Flexibility of 8(a) Contracting

- Sole Sourced Contracts with No J&A (\$100M DOD; \$22M non-DOD)
