

LEADING PEOPLE. MANAGING RESULTS.

Information Technology (IT) / Systems Engineering / Cybersecurity (Cyber)

CAPABILITIES STATEMENT

StraitSys is a highly qualified Information Technology (IT), Systems Engineering, and Cybersecurity Alaska Native Corporation (ANC) 8(a) supporting clients around the United States from our headquarters in Huntsville, AL and office in the National Capitol Region (NCR). As a catalyst for innovation, StraitSys leads the planning, development, implementation, and maintenance of services, technologies, and processes required to assure mission-critical capabilities for our federal civilian, defense, intelligence, and commercial clients. StraitSys was founded in 2007 and is an independent, wholly owned subsidiary of Yulista Holding, LLC (YHL) which consists of 19 subsidiaries operating globally with 2,000+ employees. Our structure provides the resources and services of a large company while retaining the flexibility and cost efficiency of a small business. StraitSys has access to various federal contracts, including Federal Government-Wide Acquisition Contracts (GWACS), Agency-Specific Vehicles, and a GSA Multiple Award Schedule.

WHEN ONE WINS, WE ALL WIN.

Our contracts and profits serve 37,000 Alaskan Native Shareholders, our neighbors, and our team members.

OUR SHAREHOLDERS

Yulista is a wholly-owned subsidiary of Calista Corporation. The Calista Region encompasses 58,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation, and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants.

YULISTA + STRAITSYS

In 2022, StraitSys was acquired by Yulista Holding, LLC. As a wholly-owned subsidiary of Yulista, StraitSys is now part of a family of companies serving government customers in Federal, DoD, Intelligence, and Civil markets across the globe. We don't just win jobs to make a profit, we win jobs to make a way of life and help support remote village communities in Alaska.

STRAITSYS PAST PERFORMANCE

FEDERAL BUREAU OF INVESTIGATION

Contracting Actions: 18 | History: View on FPDS
| Details: 19 projects covering Big Data Analytics, Information Technology, Counter-Insider Threat, Cybersecurity, Program Management

MERRILL LYNCH
