StraitSys
A YULISTA HOLDING SUBSIDIARY

Information Technology / Systems Engineering
Cybersecurity / Data Analytics

8(a) CERTIFIED | **ALASKA NATIVE CORPORATION**

COMPANY INFORMATION

StraitSys is a mission-focused, Alaska Native Corporation (ANC) 8(a) company founded in 2007, delivering high-impact solutions in Cybersecurity, Information Technology, Systems Engineering, Cloud Solutions, and Data Analytics. Headquartered in Huntsville, Alabama, we proudly support federal, defense, intelligence, and commercial clients across the nation. Our team includes a large number of U.S. military veterans who bring mission-tested expertise and a deep commitment to national security.

We build resilient systems and lasting trust—overdelivering what works and standing by how it's done.
