BENEFITS OF WORKING WITH US

Leverage the power and flexibility of 8(a) contracting

- Eligible for sole-source contract awards up to \$100M (DoD) without a J&A and up to \$25M (OGA)
- Sole-source awards cannot be protested
- Exempt from 8(a) sole-source dollar caps
- Accelerated procurement cycles (3–4 weeks vs. traditional 12–18 months)
- Leverage past performance from sister companies and key personnel
- DoD primes working with ANC 8(a)s receive a 5% subcontract Indian incentive (per 25 U.S.C. §1544)

ENGINEERING THE EDGE OF TACTICAL ADVANTAGE
