

AEROSPACE ENGINEERING & ANALYTICAL SERVICES FOR THE FUTURE.

KEY INFORMATION

Troy 7, Inc. offers our customers best value engineering and analytical services focusing on telemetry, missile design & analysis, guidance & control, intelligence and test operations. With the experience of supporting more than 350 missile defense and space flight missions (for Missile Defense Agency, U.S. Army Space and Missile Defense Command, and NASA) Troy7 engineers have secured an expansive capability legacy characterized by depth of technical expertise and proficiency. Our team is dedicated to providing dynamic and innovative aerospace engineering and analytic services—along with leading-edge solutions, products, and tools—to our customers now **AND** in the future.

PERFORMANCE HIGHLIGHTS

- **Missile Defense Agency** - TEAMSNext Engineering, Intel, Security Ops, and Test
- **NASA Marshall Space Flight Center** - Engineering Services & Science Capabilities Augmentation (ESSCA)
- **US Army** - D3I Domain 1,2, and 3, Reagan Test Site Engineering and Technical Services (RETS), RCCTO Directed Energy, Javelin Support
- **US Air Force Research Labs (AFRL)** - Aerospike Rocket Integration and Suborbital Experiment

CORE CAPABILITIES

- Telemetry Data Reduction
- Telemetry & Range Instrumentation Systems
- Range Communications
- Launch & Range Operations
- Modeling & Simulation
- Vehicle Design & Trade Studies
- Guidance Navigation & Controls Design
  - Ballistic & Hypersonic
- Quality & Mission Assurance
- Independent Verification & Validation
- Intelligence Operations & Analysis
- Aerospace Hardware Development & Sustainment
- Reliability & Obsolescence Redesign
- Laser Test & Evaluation
- Management Support

WHEN ONE WINS, WE ALL WIN.

Our contracts and profits serve 38,000 Alaska Native Shareholders, our neighbors, and our team members.

OUR SHAREHOLDERS

Yulista is a wholly-owned subsidiary of Calista Corporation. The Calista Region encompasses 58,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation, and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants.

YULISTA + TROY 7, INC.

In 2022, Troy7 was acquired by Yulista Holding, LLC. As a wholly-owned subsidiary of Yulista, Troy7 is now part of a family of companies serving military customers in the aerospace and defense industry across the globe. We don't just win jobs to make a profit, we win jobs to make a way of life and help support remote village communities in Alaska.

BENEFITS OF WORKING WITH YULISTA

Leverage the Power and Flexibility of 8(a) Contracting

- Sole Sourced Contracts with No J&A ($100M DOD; $25M non-DOD) Awards Cannot Be Protested
- Streamlined Process: Months, Not Years
- Expedited Pricing and Contract Negotiations
- More Control of Scope and Budget

Large Business Strength with Small Business Values

- Proven Performance History on Over 7000 Contracts and Task Orders
- Original Equipment Manufacturer Capabilities, Small Business Cost
- Certified Quality Driven Processes Designed to Meet Mission Agility
- Approx. 700k sq/ft of Manufacturing, R&D, and Integration Facilities
- Certified Back Office Systems that Ensure Cost, Schedule, and Performance
- Streamlined Infrastructure that Simplifies Decisions and Speed to Customers
- Over 100k sq/ft Fully NAS3306 Compliant Modification, Integration, and Sustainment Aircraft Hangars Supporting 3 FAA Part 145 Repair Centers

QUALITY FIRST, QUALITY ALWAYS, NO EXCEPTIONS.
