YULISTA
AEROSPACE & DEFENSE, LLC

UNPARALLELED CUSTOMER SERVICE

CAPABILITIES STATEMENT

Yulista Aerospace and Defense's (YAD) primary focus is the high-tolerance manufacture, quality aerospace system integration, and engineering across the Department of Defense (DoD) missile and aviation environment. YAD operates under a primary NAICS Code 336419, Other Guided Missile and Space Vehicle Parts and Auxiliary Equipment Manufacturing.

YAD has positioned itself to become a highly sought-after, competent systems and sub-systems manufacturing and integration concern. Military weapon system overhaul, modernization, technology refreshment, and refurbishment will continue to be a target market.

One of YAD's primary advantages is the shared past performance across Yulista and our geographical proximity to our customers within the Aviation and Missile Command (AMCOM), Program Executive Office (PEO) for Aviation, PEO Missile and Space, Army Space and Missile Defense Command (SMDC), and Missile Defense Agency (MDA), all located at Redstone Arsenal, Alabama.

CORE COMPETENCIES

We will enhance your data-informed decision making through our robust analytical capabilities that uncover hidden patterns and unknown correlations.

- Engineering & Manufacturing (Design, Installation, and Manufacture of Wire Harnesses and Electrical Components, Test and Diagnostic Equipment, Training Systems, Flight and Mission Systems, Welding, Coatings)
- Fabrication (Machined and Sheet Metal Components)
- Integrated Logistics & Product Support
- Advanced Composite Repair & Manufacturing
- Material Management
- Rapid Production & Kitting
- Supply Chain Management & Warehousing
- Systems Integration & Test (End-to-end system and component integration to add new capability or revise legacy systems serving aerospace and ground-based customers in the Government and Commercial spectrums)
- Uncompromised Quality & Safety
- Unparalleled Customer Experience

WHEN ONE WINS, WE ALL WIN.

Our contracts and profits serve 38,000 Alaskan Native Shareholders, our neighbors, and our team members.

CALISTA CORPORATION

OUR SHAREHOLDERS

Yulista is a wholly-owned subsidiary of Calista Corporation. The Calista Region encompasses 57,000 square miles and is the second largest Alaska Native Claims Settlement Act region in land size. There are no roads that connect it with the rest of Alaska. Because everything must be flown or barged to each community, the costs of food, fuel, transportation, and energy are extraordinarily high. Calista Corporation and its subsidiaries work hard to improve and enrich the way of life for our Shareholders and Descendants.

YULISTA

MAKING THE IMPOSSIBLE, POSSIBLE

Yulista is a collection of small businesses serving military customers in the aerospace and defense industry across the globe. We provide on time and on budget aerospace and defense services for commercial and government clients. Yulista's subsidiary companies have successfully tackled numerous projects that required expertise in complex integration in ground support, test, flight hardware and armament systems.

BENEFITS OF WORKING WITH YULISTA

Leverage the Power and Flexibility of 8(a) Contracting

- Sole Sourced Contracts with No J&A ($100M DOD; $25M non-DOD) Awards Cannot Be Protested
- Streamlined Process: Months, Not Years
- Expedited Pricing and Contract Negotiations
- More Control of Scope and Budget

Large Business Strength with Small Business Values

- Proven Performance History on Over 7000 Contracts and Task Orders
- Original Equipment Manufacturer Capabilities, Small Business Cost
- Certified Quality Driven Processes Designed to Meet Mission Agility
- Over 600k Sq. Ft. of Manufacturing, R&D, and Integration Facilities
- Certified Back Office Systems that Ensure Cost, Schedule, and Performance
- Streamlined Infrastructure that Simplifies Decisions and Speed to Customers
- Over 100k Sq. Ft. Fully NAS3306 Compliant Modification, Integration, and Sustainment Aircraft Hangars Supporting 2 FAA Part 145 Repair Centers
